UNIVERSITY OF GUJRAT

Course Outline

Course Code**: GE-105**	Course Title**: Functional English**
Instructor**:**	Semester**:**
Email:	Office (Room No):
Minor:	Credit Hours: 3

Course Description	This course is designed to equip students with essential language skills for effective communication in diverse real world scenarios. It focuses on developing proficiency in English language usage: word choices, grammar and sentence structure. In addition, the course will enable students to grasp nuanced messages and tailor their communication effectively through application of comprehension and analytical skills in listening and reading. Moreover, the course encompasses a range of practical communication aspects including professional writing, public speaking, and everyday conversation, ensuring that students are equipped for both academic and professional spheres. An integral part of the course is fostering a deeper understanding of the impact of language on diverse audiences. Students will learn to communicate inclusively and display a strong commitment to cultural awareness in their language use. Additionally, the course will enable them to navigate the globalized world with ease and efficacy, making a positive impact in their functional interactions. **Note:** The mode of instruction must be in English.
Course Type:	General Education
Pre-requisites	Nil
Goals	By the end of this course, students will be able to: 1. Apply enhanced English communication skills through effective use of word choices, grammar, and sentence structure. 2. Comprehend a variety of literary /non-literary written and spoken texts in English 3. Effectively express information, ideas and opinions in written and spoken English

	4. Recognize inter-cultural variations in the use of English language and to effectively adapt their communication style and content based on diverse cultural and social contexts. **Practical Requirement** As part of the overall learning requirements, students will also be exposed to relevant simulations, role plays and real-life scenarios and will be required to apply skills acquired throughout the course in the form of a final project.
